

Colborne Public School

June 2020 Newsletter

Principal Message

It's hard to believe that this is the last newsletter for the year! I hope everyone is doing well, keeping safe and getting outside to enjoy this beautiful weather.

It is hard to know what September will hold, however I can assure you that as a plan becomes available, it will be shared with you.

Sadly, we are saying goodbye to Mrs. Morton. She has accepted a position at Plainville Public School which is much closer to her home. We will miss her immensely. She has had a big impact on our school. We wish her the very best in her new position! We are excited to be welcoming Mrs. Murphy to grade 3/4 in September. I know I can count on everyone to give her a big Colborne welcome!

We will also be saying goodbye to our graduating class. It's a difficult year to be a graduate. We are so proud of this class and excited for them as they move on to high school. Although we can't have a traditional celebration, we will definitely be celebrating their accomplishments! More to follow on this.

I hope you all have an amazing summer. I am hopeful to see everyone's faces in September.

Sincerely,

Joanne Shuttleworth

Pizza Refunds

We know that some students had ordered pizza for March 24th and March 31st. There are two options for credit of these pizza dollars. We can offer a pizza credit in September or refund the money. If you prefer a refund please contact the office at 905-355-2532 and leave a message. Thank you.

Grade 8 Graduates of CPS

Please join us in congratulating our graduating class of 2020. Best Wishes for continued learning and success at secondary school and beyond.

Summer START! Program

This year's summer Start! Program will be offered through eLearning with face to face learning as an option if Ontario Public Health approves it. In this online course students will read, work independently and/or as a member of a group, complete assignments and interact with their classmates and teacher. While students should plan to spend a minimum of 6 hours per weekday on their eLearning course, they will have some flexibility to choose when they work during the day, as long as they meet course due dates and times. The Start! Program will be facilitated by a teacher who will establish the timing of how the class will engage with the course material while also encouraging opportunities for student to student collaboration. The teacher will also provide ongoing feedback to students to support their learning. Students are expected to establish routines that will support this.

Students who participate in the Summer Start! Program will earn a secondary school credit (GLD20, Discovering the Workplace). This course focuses on literacy and numeracy skills as well as on developing the necessary inter and intra-personal skills for high school.

The course runs from June 29th until July 27th. Student will be expected to be on line 5 days per week and should plan on spending 6 hours per day focused on the course.

The class is conditional upon sufficient enrolment and is subject to cancellation. You will be contacted by KPRDSB staff if a course is cancelled by the weekend of June 27th.

Please Note: Pending future announcements from the Ministry of Education and Public Health offices, Summer School program offerings and schedules may change. Please visit the KPRDSB's web site on a regular basis for any updates regarding programs and registration.

NEW SCHOOL BUS RIDERS 2020-2021

Will your child be riding a school bus for the first time this September?

They can learn about bus safety - and take a ride on a bus – with STSCO’s First Rider program.

All young school bus riders and their families are welcome to attend STSCO’s annual First Rider programs.

One session will be hosted in each of the City Peterborough, the Town Cobourg and the Town Bowmanville. Specific host facilities in each municipality are pending and it is intended that the finalized facility locations will be announced, via our website (www.stsco.ca), by early-July.

Dates: Friday, August 28 from 3 p.m. to 6 p.m. and Saturday, August 29 from 10 a.m. to 1 p.m.

Each session lasts approximately 20 minutes. The Program includes: a safety video and a child/parent 10 minute bus ride.

Registration is not required.

The First Rider program is offered by Student Transportation Services of Central Ontario (STSCO) and local school bus operators. STSCO transports students from the Kawartha Pine Ridge District School Board (KPR), the Peterborough Victoria Northumberland and Clarington Catholic District School Board (PVNCCDSB), and Conseil scolaire catholique MonAvenir.

For further information, please visit www.stsco.ca or call 1-800-757-0307.
