

COLBORNE PUBLIC SCHOOL

MAY 2021 NEWSLETTER

As we move into the month of May, we recognize that virtual learning is likely our new norm for the foreseeable future. Teaching and support staff are working hard to deliver engaging curriculum to ensure your child meets the expectations for their grade. It is important that your child is participating and completing their work to the best of their ability in order for teachers to assess their on-going achievement in preparation for report card writing. Without these vital pieces of evidence on student learning, teachers will struggle to know where students are in their learning journey. We appreciate everyone doing their best to ensure regular participation. Should you have any questions or concerns, please don't hesitate to reach out to your teacher. Remember we are here to support you and your child through these challenging times.
